

[About Pomona College](#)

Throughout its history, Pomona College has educated men and women of exceptional promise. We gather students, regardless of financial need, into a small residential community strongly rooted in southern California but global in its orientation. Through close ties among diverse faculty, staff, and classmates, students engage in probing inquiry that enables them to identify and address their intellectual passions. This experience will guide their contributions as the next generation of leaders, scholars, artists, and citizens.
