

About California Institute of the Arts

CalArts is dedicated to training and nurturing the next generation of professional artists, fostering brilliance and innovation within the broadest context possible. Emphasis is placed on new and experimental work and students are admitted solely on the basis of artistic ability. To encourage innovation and experimentation, CalArts' six schools--Art, Critical Studies, Dance, Film/Video, Music and Theater--are all housed under one roof in Valencia, California, just 30 minutes north of downtown Los Angeles.
