

**About Carlow University**

Carlow University, the first Catholic, women-centered, liberal arts university in Pennsylvania, prepares students, primarily women, for competent leadership and compassionate service in personal and professional life. Carlow's culture of caring is reflected in the overlapping themes of the core curriculum - reflecting on learning, valuing and respecting self and others, and expanding world view - as well as in the curriculum's emphasis on the development of skills, knowledge and values.

What it's Like on Our Campus

Carlow's mission acknowledges the significance of education outside of the traditional classroom setting. The Student Affairs integrates commuter and resident student activities, provides meaningful opportunities for learning professional leadership skills, and puts student activity programming into the hands of students.
