

[About Clark University](#)

Nationally renowned as a college that changes lives, Clark's practice-based learning integrates the intellectual adventure of a liberal arts education with the rigorous discovery of a research university. Through immersive experiences in classrooms, labs, the workplace, and the world, our students see beyond themselves and the status quo — to reckon with the needs of the common good. Clark students are original, against-the-grain thinkers who move confidently and boldly wherever they are.
