

About Massachusetts Institute of Technology

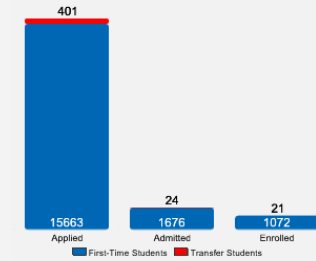

MIT is a place where smart people work and play hard around learning to solve big problems; a research university with a culture of energetic entrepreneurialism and people who believe that great value comes from bumping into each other. MIT is described as a modern day Silk Road. We are committed to world-class inquiry in math, science, and engineering and have equally distinguished programs in architecture, the humanities, management, arts and social sciences.

WHAT MAKES US SPECIAL?

About Campus Life

What it's Like on Our Campus

Life at MIT is exciting and vibrant. Students love the 12 residence halls: nearly all students choose to live in MIT housing. In their free time, students enjoy 400+ student activities and 39 varsity sports. And being set in America's best college city, there's always something to do.

Student Life

Campus Safety

MIT campus is a densely populated urban area that extends more than a mile along the Cambridge side of the Charles River. Although many pleasures are associated with urban living, MIT-like most universities today has its share of crime problems. Theft is the largest campus problem.
