

[About Oberlin College](#)

Ranked among the top liberal arts schools, we are committed to rigorous academics, artistic and musical excellence, and social justice. Founded in 1833, Oberlin was the first college in America to adopt a policy to admit students of color and first to award degrees to women in a coeducational program. Oberlin's history of challenging conventions shapes today's student experience, fostering strong bonds among a diverse community of students from around the world.
