

About Cairn University

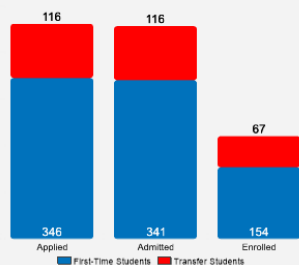

Cairn students take up the serious study of Bible and theology alongside their general and professional studies. Participating in athletic, musical, and other co-curricular activities, they enjoy a vibrant campus life as they prepare for life, vocation, and further study. They are challenged to grow spiritually as they think biblically about God, themselves, and the world in which they live.

What it's Like on Our Campus

Brick buildings, trees, duck pond, fountain: faculty and students hurrying to class while others study or socialize, athletes in the fields, musicians in the chapel: students transitioning to scholars, maturing into adults, developing lifelong friendships, growing in their devotion to God.
